															MEMBER AT LARGE
															MEMBER AT LARGE

- Board Members serve in 2-year increments and can be re-elected into their current seat at the end of their cycle for an additional 2-year term.
- Board Member seats are staggered so that roughly half the seats are elected or re-elected each year.
- If a seat becomes vacant during the middle of the term it may be filled, however, the new Board Member will serve out the remainder of the previous Member’s term until its next re-election cycle.
- Normal Board Member elections will be held at each December meeting.
- Board Member rotational schedule shows some board members elected to one year terms in an effort to stagger elections cycle.
